Make a few **simple slides** about your topic. Your presentation should. . .

- **Describe your topic:** Tell us about your topic of choice.
- **Background?** Maybe tell us about some history or why we should care.
- **Main thing?** Tell us about your main theorem or result or whatever it is.
- **Examples?** Maybe give an example or two illustrating your topic.
- **Applications?** Maybe tell us about some applications or consequences. Why is it **important/interesting?**
